

Regulations for Recommending Professors and Associate Professors for Sabbatical Leave of the School of Forestry and Resource Conservation, National Taiwan University

Article 1

These regulations are established to determine the priority order for recommending professors and associate professors of the Department for sabbatical leave each year.

Article 2

Professors and associate professors applying for sabbatical leave shall be recommended in the following order of priority:

1. Those approaching retirement who still have unused sabbatical leave entitlement by Articles 3 to 5 of the “National Taiwan University Directives Governing Sabbatical Leave for Professors and Associate Professors”.
2. Administrative supervisors are eligible under Article 12 of the “National Taiwan University Directives Governing Sabbatical Leave for Professors and Associate Professors”.
3. Those with more extended sabbatical leave entitlement according to Articles 3 to 5 of the “National Taiwan University Directives Governing Sabbatical Leave for Professors and Associate Professors”.
4. Individuals with other special reasons requiring prioritized sabbatical scheduling.

Article 3

These regulations shall be implemented upon approval by the Department Affairs Meeting. Amendments shall follow the same procedure.
